Consumer Chainsaws

The power, performance and design to meet your expectations. Our chainsaws offer some of the most advanced solutions in chainsaw development making them the perfect tool for users who value professional qualities in a saw.

Innovation built into every Husqvarna saw.

X-Torq®

The X-Torq® technology reduces exhaust emissions by up to 75% and increases fuel efficiency by up to 20%. Your work will become more comfortable as well as more economical.

Low Vib®

Effective anti-vibration dampeners absorb vibration, reducing the impact on the user's arms and hands for more comfortable operation.

Air Injection™

A centrifugal air cleaning system for reduced wear and longer operating time between filter cleanings. You will be able to work longer shifts with less effort.

Briggs & Stratton 675exi 6.9 ft-lbs engine • 163 cc • 3 in 1 cutting type • 12" rear wheels for maximum manoeuvrability • 5-point height positions

\$379⁹⁹

5521P

HUSQVARNA 7021P

Folds down for easy storage, this mower also provides a 5-point cutting height adjustment for varying lawn conditions.

Honda GCV 6.9 ft-lbs engine • 160 cc • 3 in 1 cutting type • 12" rear wheels for maximum manoeuvrability • 5-point height positions
961 33 00-19

\$419⁹⁹

Self-Propelled Mowers

These efficient mowers are equipped with a 22" deck and a powerful, easy-to-start engine. Variable speed control allows you to adjust the speed according to your needs and the condition of the lawn. The larger rear wheels offer maximum manoeuvrability. They also feature a 3-position handle height adjuster and a water hose connector for easy cleaning of the deck.
